16th December 2021

Dear Parents and Carers

As you are aware, Mrs Race, who is the Co-Head, has not been in school this term. As I told most of you in June, she has been on long-term sick leave.

The Governors have now been told that she has been successful in her application for ill-health retirement. Her last day of service with us will be 31st December 2021.

Mrs Brown will be the full-time Head from 1st January 2022.

We would usually have a farewell event for a retiring Head. We do not know when this will be as current Covid-19 restrictions would make it difficult. I will write to you again when we are able to organise this.

The Governors hope you all have a lovely Christmas, and we wish you well for the New Year.

Yours sincerely

Miss J Bailey
Chair of Governors
