Notices & News

Homework & Reading

Please ensure your child is completing their homework on a regular basis, and is reading at least 3 times per week

P.E

Children need to come into school in their PE kit on their PE day. Please make sure that they have a change of footwear for indoor PE, these can be either pumps or white soled trainers if you have them.

Jewellery

For safety reasons only small studs are permitted in school, these must be removed for PE & sports activities rather than being taped. Bracelets/necklaces should not be worn in school.

Safety

The **driveway** should not be used by pedestrians, particularly children.

Only cars displaying valid Disabled Parking Badges should be using the car park. Those permitted to use the car park should drive carefully.

Permission may be revoked if driving dangerously.

Please do not park on double yellow lines, this makes it dangerous for children crossing the road as visibility is reduced

Breakfast/After School Club

Bookings went live via Arbor in September. If you need a place, it **MUST** be booked on Arbor. We will no longer be adding children based on historic arrangements. The cut off for booking a place is 24 hours before the session. If you need to book after this please call or email, there is an additional fee of 50p for same day bookings.

If your child is not booked on via Arbor, but arrives on the day, you will be charged the additional 50p fee.

Valentines Events are now available to book on Arbor, they are in the "Trip" section

Dogs

Dogs are not permitted onto school grounds, whether on leads or being carried

Menu next week

Week 2

Allergies: We are in the process of reviewing historic data, and finding that some children are no longer intolerant to items listed on their electronic pupil record. If your child has an allergy, please send us an email or message on Arbor. We need to know what they are currently allergic to, for food allergies we also need documentation from a medical professional to support this.
