Notices & News

Please ensure that all outstanding balances (including dinners, wraparound care and nursery fees) are cleared in advance, unless a payment plan has been agreed with the school. Accounts that remain in arrears may result in services being temporarily unavailable until the balance is brought up to date. Thank you for your continued support.

Homework & Reading

Please ensure your child is completing their homework on a regular basis, and is reading at least 3 times per week

Breakfast/After School Club

Bookings went live via Arbor in September. If you need a place, it **MUST** be booked on Arbor. We will no longer be adding children based on historic arrangements.

The cut off for booking a place is 24 hours before the session. If you need to book after this please call or email, there is an additional fee of 50p for same day bookings.

If your child is not booked on via Arbor, but arrives on the day, or is not collected on time at the end of the school day, you will be charged the additional 50p fee.

Uniform

Please ensure your children are coming to school in the correct uniform and school shoes rather than trainers.

Trips

You will need to give consent for Trips on Arbor, payment should also be made via Arbor.

Jewellery

For safety reasons only small studs are permitted in school, these **must** be removed for PE & sports activities rather than being taped. Bracelets/necklaces should not be worn in school.

Texts

We have phased out texts as a means of communication, and will no longer be able to send any texts in the near future. Arbor is our main means of communicating with parents and families, so please ensure you are able to log in and have notifications enabled.

Arbor

If you need help with downloading or accessing the Arbor App, let us know.

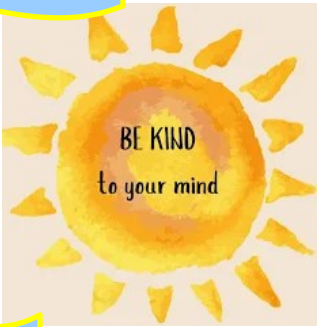

Hay fever

If your child suffers from Hay fever, please make sure to give them antihistamine before school.
